**SUBJECT: Administrative Amendment #26 to the 2004 Federal Transportation Improvement Program**

Dear Mr. Robledo:

Enclosed is the documentation for Administrative Amendment #26 to the Federal Transportation Improvement Program. The Executive Director has the authority to approve all administrative amendments. State and Federal approval is not required.

FTIP Amendment #26 changes the following projects:

1. City of Tracy CTIPS ID# 212-0000-0264 Acquisition of two (2) paratransit minivans for local paratransit service. This amendment will add \$10,000 total in FTA 5307 and local match funding to the project. The funding will be shown as \$80,000 FTA 5307 and \$20,000 local funding match.
2. City of Lodi CTIPS ID# 212-0000-0154 Costs associated with the delivery of the Grapeline fixed route and comparable Paratransit/General Public Dial A Ride services. This amendment will add \$412,613 in FTA 5307 funding to FY 05/06. The 5307 funding for FY 05/06 will be reflected as \$1,293,613.

The required documentation is enclosed.

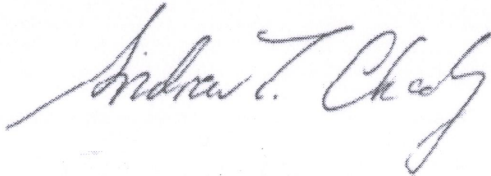

1. CTIPs reports.

According to Table 1, these changes are minor changes: e.g. changes consistent with Caltrans' administrative procedures. The change in project cost does not exceed the maximum of 20% of the total project cost.

SJCOG certifies this amendment does not impact the current Air Quality Conformity Analysis, timely implementation of TCM's or financial constraints and does not result in design concept or scope changes to this already approved project.

If you have any questions regarding this amendment, please contact me at (209) 468-3913.

Sincerely,
